

# One-sided Waterproof Slip Sheets

## Advantages over traditional Kraft/cardboard slip sheets:

- ✓ One-sided waterproof surface
- ✓ Blocks moisture from penetrating through slip sheet to product
- ✓ More durable
- ✓ Better protection from punctures and abrasion
- ✓ No worries when using wet pallets

Standard sizes in stock:

✓ 40"x48"

✓ 42"x42"

Packing: 4,000 pc / pallet

**To better protect your products stored/transported on pallets!!!**
